Re: Bartlett, et al. v. Société Générale de Banque au Liban S.A.L., et al., 19-cv-007 (E.D.N.Y.)

Dear Judge Amon:

This letter is submitted on behalf of all parties in connection with the above-referenced matter to request that Your Honor adjourn the pre-motion conference previously requested by Defendants and presently scheduled for September 11, 2019.

On August 16, 2019, defendants filed their requests for a pre-motion conference pursuant to Section 3(A) of Your Honor's Individual practice Rules in advance of their contemplated motions to dismiss the First Amended Complaint. [ECF #110,111] The requests contained a briefing schedule agreed to by all parties. The Court granted Defendants' requests by order dated August 26, 2019. The parties, having subsequently conferred, do not believe that a pre-motion conference is necessary at this time. Accordingly, unless the Court feels otherwise, we would request that you adjourn the pre-motion conference *sine die*, as Your Honor did previously on June 12, 2019, with respect to the pre-motion conference scheduled in connection with the initial motion to dismiss the original pleading. *See* June 12, 2019 Scheduling Order.

We thank the Court for its consideration of this request.

Respectfully submitted,

/s/ Jonathan D. Siegfried
